

The car is red.

The car that is red.

The car that is red  
runs very smoothly.

Runs very smoothly.

Putting their shoes  
on.

The boys are  
putting their shoes on.

The pretty girls who  
can't sing.

The dogs that bite  
are kept in pens.

Many careful  
workers.

A full week after  
the toilet overflowed.

Trusting Kathy to tell  
the truth.

The highest wall in  
the little village.

Forgetting that he  
was only wearing  
pajamas.

The sad truth was  
being hidden.
