

The car is red.

The car that is red.

The car that is red
runs very smoothly.

Runs very smoothly.

Putting their shoes
on.

The boys are
putting their shoes on.

The pretty girls who
can't sing.

The dogs that bite
are kept in pens.

Many careful
workers.

A full week after
the toilet overflowed.

Trusting Kathy to tell
the truth.

The highest wall in
the little village.

Forgetting that he
was only wearing
pajamas.

The sad truth was
being hidden.
